ARTICLE I
First Mortgage Scheduled Interest Rate Bond.

Section 1. Water Company hereby creates a series of bonds to be issued under and secured by the Mortgage as Supplemented by this Fifty-Eighth Supplemental Indenture, and to be designated as, and to be distinguished from the bonds of all other series by the title, “First Mortgage Scheduled Interest Rate Bond, Series 2023A.” The Series 2023A Bonds shall be issued only as registered bonds without coupons in the aggregate principal amount of \$40,000,000; shall originally be dated March 2, 2023; and shall be issued in non-negotiable form to the purchasers thereof. Each Series 2023A Bond shall bear interest from its date of issuance at the rate of 5.24% per annum, computed on the basis of a 360-day year composed of twelve 30-day months until the obligations of Water Company with respect to the payment of principal shall be discharged, shall be payable as set forth below, shall state that, subject to certain limitations, the Mortgage and all indentures supplemental thereto may be modified, amended or supplemented as provided in the Mortgage as heretofore supplemented; shall mature on March 2, 2043 and shall be earlier redeemable (i) under the terms and conditions and in the amounts provided in the Bond Purchase Agreement at the option of Water Company with, to the extent required by the Orders of the New Jersey Board of Public Utilities (“BPU”) dated May 5, 2020 (Docket No. WF 20020188), and/or required by then applicable law and regulations, the prior approval of the BPU, or (ii) as, when and to the extent mandated pursuant to subsection B of Section 4 of Article VIII of the Second Supplemental Indenture; and shall be subject to, entitled to the benefit of, and expressly incorporate by reference, all of the terms, conditions and provisions of the Bond Purchase Agreement.

The Series 2023A Bonds will be issued to fund capital projects of Water Company.

The Series 2023A Bonds shall evidence the obligation to pay the aggregate principal amount owing to the holders of the Series 2023A Bonds under or pursuant to the Bond Purchase

Agreement which shall initially be \$40,000,000 or such lesser amount as determined in accordance with the Bond Purchase Agreement, at the times and in the amounts determined as provided in the Bond Purchase Agreement, plus any other amounts (including the Make-Whole Amount, if any) due and owing under the Bond Purchase Agreement at the times and in the amounts as provided therein. The Series 2023A Bonds are subject to assignment or transfer in accordance with the terms of the Bond Purchase Agreement. The Series 2023A Bonds are subject to acceleration under the terms and conditions, and in the amounts, provided in the Bond Purchase Agreement. Payments under the Series 2023A Bonds shall, except as otherwise provided in the Bond Purchase Agreement, be made directly to the holders thereof.

In addition to any other default provided for under the Mortgage as Supplemented, it shall be a default under this Supplemental Indenture if payment of any of the principal or of the interest on any Series 2023A Bond is not made when the same shall become due and payable (giving effect to any applicable grace period in the Bond Purchase Agreement) in installments, at maturity, upon redemption or otherwise.

Section 2. Payment of the purchase price of the Series 2023A Bonds shall be made to Water Company upon receipt by the applicable Purchaser of instructions from Water Company executed and delivered in accordance with the requirements set forth in the Bond Purchase Agreement and satisfaction of the other conditions precedent set forth in the Bond Purchase Agreement.

As provided therein, the entire unpaid principal balance of each Series 2023A Bond shall be due and payable on the maturity date thereof.

Water Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Series 2023A Bonds, in an amount not less than 10% of the aggregate principal amount of the Series 2023A Bonds then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount, if any, determined for the prepayment date with respect to such principal amount, as provided in the Bond Purchase Agreement. Water Company will give the Trustee and the holder of a Series 2023A Bond written notice of each optional prepayment pursuant to this paragraph not less than 10 days and not more than 60 days prior to the date fixed for such prepayment unless the Required Holders (as defined in the Bond Purchase Agreement) agree to a different amount of time. Each such notice shall specify such date (which shall be a Business Day (as defined in the Bond Purchase Agreement)), the aggregate principal amount of the Series 2023A Bonds to be prepaid on such date, the principal amount of each Series 2023A Bond held by such holder to be prepaid (determined in accordance with the next succeeding paragraph), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer of Water Company as to the estimated Make-Whole Amount, if any, due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, Water Company shall deliver to each holder of a Series 2023A Bond and the Trustee a certificate of one of its Senior Financial Officers specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

If (a) all or substantially all of the mortgaged property shall have been damaged or destroyed to such extent that the Series 2023A Bonds shall be required to be redeemed pursuant to subsection B of Section 4 of Article VIII of the Second Supplement, or (b) title to, or the use of, all or substantially all of the mortgaged property shall have been taken under the exercise of the power of eminent domain, or shall be purchased, by, any governmental body or by any person, firm or corporation acting under governmental authority and the same shall require the Series 2023A Bonds to be redeemed pursuant to subsection B of Section 4 of Article VIII of the Second Supplement, then Water Company shall, by notice as provided below, prepay all of the Series 2023A Bonds then outstanding at 100% of the principal amount thereof, and the Make-Whole Amount, if any, determined for the prepayment date with respect to such principal amount. Water Company will give the each holder of a Series 2023A Bond written notice of any required prepayment under this paragraph within 90 days following the event resulting in such prepayment. Such notice shall specify the date of prepayment (which shall be a Business Day not less than 50 days nor more than 90 days after the date of such notice), the aggregate principal amount of the Series 2023A Bonds to be prepaid on such date, the principal amount of the Series 2023A Bonds held by the holder to be prepaid, and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer of Water Company as to the estimated Make-Whole Amount, if any, due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, Water Company shall deliver to each holder of a Series 2023A Bond and the Trustee a certificate specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

To the extent that any of the terms of this Section 2 are inconsistent with the terms of Section 8 of the Bond Purchase Agreement, the terms of Section 8 of the Bond Purchase Agreement shall govern.

Section 3. The Series 2023A Bonds and the certificate of authentication of the Trustee to be executed thereon shall be substantially in the form prescribed for registered bonds without coupons in the Second Supplemental Indenture (except that there may be deleted therefrom all references to the issuance of coupon bonds in exchange therefor); shall be in the form attached to this Fifty-Eighth Supplemental Indenture as Exhibit A; and shall contain appropriate references to this Fifty-Eighth Supplemental Indenture in addition to the Mortgage as Supplemented and appropriate changes with respect to the aggregate principal amount, interest rate, redemption dates and provisions, and maturity date of the Series 2023A Bonds, and with appropriate reference to the provision of the Fourth Supplemental Indenture (as amended) that, subject to certain limitations, the Mortgage and all indentures supplemental thereto may be modified, amended or supplemented only as provided in the Mortgage and except that the Series 2023A Bonds shall not contain any references to a sinking fund.

Section 4. Water Company hereby directs the Trustee to maintain a register for the registration and registration of transfers of the Series 2023A Bonds. The name and address of each holder of the Series 2023A Bonds, each transfer thereof and the name and address of each transferee of one or more series 2023A Bonds shall be registered in such register. If any holder of one or more of the Series 2023A Bonds is a nominee, then (1) the name and address of the beneficial owner of such Series 2023A Bonds shall also be registered in such register as an

owner and holder thereof and (2) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Supplemental Indenture or the Bond Purchase Agreement. Prior to due presentment for registration of transfer, the person or entity in whose name any Series 2023A Bond shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and neither the Company nor the Trustee shall be affected by any notice or knowledge to the contrary. The Trustee shall give to any holder of a Series 2023A Bond that is an Institutional Investor (as defined in the Bond Purchase Agreement), promptly following request therefor, a complete and correct copy of the names and addresses of all registered holders of Series 2023A Bonds.

Upon surrender of any Series 2023A Bond to the Trustee at 333 Thornall St., Edison, NJ 08837, to the attention of the Corporate Trust Department (or such other address as the Trustee shall have specified to Water Company and the holder of each Series 2023A Bond in writing), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Series 2023A Bond or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Series 2023A Bond or part thereof), within 10 Business Days thereafter, Water Company shall execute and the Trustee shall authenticate and deliver, at Water Company's expense and order (except as provided below), one or more new Series 2023A Bonds (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Series 2023A Bond. Each such new Series 2023A Bond shall be payable to such person as such holder may request and shall be substantially in the form of Exhibit A attached to this Supplemental Indenture. Each such new Series 2023A Bond shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Series 2023A Bond or dated the date of the surrendered Series 2023A Bond if no interest shall have been paid thereon. The Trustee may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Series 2023A Bonds. Series 2023A Bonds shall not be transferred in denominations of less than \$100,000; provided that if necessary to enable the registration of transfer by a holder of its entire holding of Series 2023A Bonds, one Series 2023A Bond may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Series 2023A Bond registered in its name (or the name of its nominee), shall be deemed to have made the representations set forth in the first sentence of Section 6.1 and in Section 6.2 of the Bond Purchase Agreement.

Upon receipt by the Trustee at 333 Thornall St., Edison, NJ 08837, to the attention of the Corporate Trust Department (or such other address as the Trustee shall have specified to Water Company and the holder of each Series 2023A Bond in writing) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Series 2023A Bond (which evidence shall be, in the case of an Institutional Investor (as defined in the Bond Purchase Agreement), notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Series 2023A Bond, provides written evidence to the Trustee that it is, or is a nominee for, a Purchaser or another holder of a Series 2023A Bond with a minimum net worth of at least \$50,000,000 or a "qualified institutional buyer" within the meaning of such term as set forth in Rule 144A(a)(1) under the

Securities Act of 1933, as amended, such person's or entity's own unsecured agreement of indemnity shall be deemed to be satisfactory), or in the case of mutilation, upon surrender and cancellation thereof, within 10 Business Days thereafter the Trustee at the expense and upon the order of Water Company shall execute and deliver, in lieu thereof, a new Series 2023A Bond, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Series 2023A Bond or dated the date of such lost, stolen, destroyed or mutilated Series 2023A Bond if no interest shall have been paid thereon. All Series 2023A Bonds issued upon any registration of transfer or exchange of a Series 2023A Bond shall be the valid obligations of Water Company, evidencing the same debt, and entitled to the same security and benefits under the Mortgage Indenture as the Series 2023A Bonds surrendered upon such registration of transfer or exchange.

Section 5. Sections 4(A)(iii) and (iv) of Article VIII of the Second Supplemental Indenture shall not be available to Water Company with respect to the Series 2023A Bonds. Water Company shall issue its written order under Section 4(a)(i) or (ii), as the case may be, reasonably promptly after receipt by the Trustee of proceeds of sale, eminent domain or insurance (not otherwise to be paid directly to Water Company under the Mortgage as supplemented by the Supplemental Indentures including this Fifty-Eighth Supplemental Indenture).

ARTICLE II **Miscellaneous**

Section 1. As provided in the Mortgage as modified, amended and supplemented by the Supplemental Indentures, and subject to the limitations therein contained, the Mortgage and all indentures supplemental thereto may be modified, amended or supplemented with the consent in writing of the holders of not less than 75% in aggregate principal amount of each series of Bonds outstanding at any time so as to repeal, change or add to the rights and remedies of the bondholders, or the rights, remedies, duties and liabilities of Water Company or the Trustee; provided, however, that no such modification shall reduce the principal amount of a Bond or the premium, if any, payable on a redemption thereof, extend the maturity thereof, reduce the rate or extend time for payment of interest thereon, give a Bond any preference over another Bond, create or permit a lien on the property subject to the Mortgage (other than a Permitted Encumbrance as defined in the Eighth Supplemental Indenture) prior to or on a parity with the Mortgage, or reduce the percentage of the holders required for any action authorized to be taken by the holders of Bonds under the Mortgage, without the consent of the holders of all Bonds affected by such modification; provided, further, that no modification shall impose additional duties or responsibilities on the Trustee without the consent of the Trustee.

Unless there is something in the subject or context repugnant to such construction, each reference in the Mortgage as Supplemented to the Mortgage as Supplemented shall be construed as also referring to this Fifty-Eighth Supplemental Indenture. The Mortgage and all indentures supplemental thereto may be modified, amended or supplemented by Water Company with prior notice by Water Company to but without the consent of any of the bondholders to accomplish any more of the following:

(1) to correct any defect or inconsistent provision in the Mortgage or any indenture supplemental thereto, if such action is not adverse to the interests of the bondholders;

The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity and sufficiency of this Fifty-Eighth Supplemental Indenture or the due execution hereof by Water Company or for the recitals contained herein, all of which recitals are made by Water Company solely.

Company and the Trustee is as shown by their respective acknowledgments hereto annexed, and the actual date of delivery hereof by Water Company and the Trustee is the date of the closing of the sale of the Series 2023A Bonds by Water Company.

Section 6. In any case where the payment of principal of the Series 2023A Bonds or the date fixed for redemption of the Series 2023A Bonds shall be a date that is not a Business Day, then payment of interest or principal or redemption price need not be made on such date but shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

The person in whose name this Series 2023A Bond shall be registered shall be deemed the owner hereof for all purposes, and payment of or on account of the principal hereof and any interest hereon shall be made only to or upon the order in writing of the registered owner hereof, and all such payments shall be valid and effectual to satisfy and discharge the liability upon this Series 2023A Bond to the extent of the sum or sums so paid.

No recourse shall be had for the payment of the principal of or any interest on this Series 2023A Bond or for any claim based hereon or otherwise in respect hereof or of the Mortgage or of any indenture supplemental thereto against any incorporator, or against any stockholder, director or officer, as such, past, present or future, of Water Company or of any predecessor or successor corporation, either directly or through Water Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law or equity, or by the enforcement of any assessment or penalty, or otherwise howsoever, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released by every holder or registered owner hereof as more fully provided in the Mortgage and Supplemental Indentures; it being expressly agreed and understood that the Mortgage and Supplemental Indentures and all Bonds thereby secured are solely corporate obligations.
