

XV. Special Requirements for Proposed Overbuilds

All applicants proposing to overbuild an existing cable television system are requested to supply information on the following:

1. Construction of the System. Describe any anticipated additional construction problems associated with an overbuild; include costs, make-ready, service to underground areas and MDU's and steps to be taken to avoid unreasonable disruption of service. Provide specific data indicating how make-ready estimates were determined.

2. Financing. Describe any anticipated additional costs and the basis for revenue projections, including anticipated penetration, associated with an overbuild.

3. A description of any other operating or attempted cable television overbuilds or dual builds by the applicant.
