**Re: Request for Expedited Service of Board Order**

Dear Secretary Golden:

Pursuant to your Office procedures governing expedited service of orders, please allow this correspondence as a request by Public Service Electric and Gas Company (“PSE&G” or “Company”) for expedited service of the Board order in the above-referenced matter. PSE&G would like to implement rates on June 1, 2023 and respectfully requests expedited service, which we understand may be considered at the New Jersey Board of Public Utilities’ agenda meeting being held on May 24, 2023.

Bernard Smalls, paralegal for PSE&G can wait at the Board’s Offices for the signed Board Order and, upon receipt of the Order, our office will serve all parties of record (which in this case consists of the Company, Board Staff and New Jersey Rate Counsel). We will provide a certification that such service was made after we provide that service.

Consistent with the Order issued by the Board in connection with In the Matter of the New Jersey Board of Public Utilities’ Response to the COVID-19 Pandemic for a Temporary Waiver of Requirements for Certain Non-Essential Obligations, BPU Docket No. EO20030254, Order dated March 19, 2020, this document is being filed electronically with the Secretary of the Board. No paper copies will follow.

Very truly yours,

A handwritten signature in blue ink that reads "Katherine E. Smith" with a stylized flourish at the end.
