September 1, 2023

In the Matter of the Provision of Basic Generation Service
for the Period Beginning June 1, 2024
BPU Docket No. ER23030124

VIA ELECTRONIC MAIL AND E-FILING

Sherri L. Golden, Secretary
New Jersey Board of Public Utilities
44 South Clinton Avenue, 1st Floor
P.O. Box 350
Trenton, New Jersey 08625-0350

Dear Secretary Golden:

This letter is being submitted on behalf of Atlantic City Electric Company, Jersey Central Power & Light Company, Public Service Electric and Gas Company, and Rockland Electric Company (collectively, the New Jersey “EDCs”).

On June 30, 2023, in compliance with the Board’s Order dated April 12, 2023 in the above-captioned docket, the EDCs submitted a joint proposal for an auction process for the procurement of a portion of the supply for the provision of basic generation service for the period commencing June 1, 2024. Pursuant to the procedural schedule attached to the April 12, 2023 Order, as modified by Board Staff’s August 31, 2023 email communication, Initial Comments are due September 5, 2023. The EDCs’ views are generally contained in their joint proposal and, therefore, the EDCs are not submitting Initial Comments. However, the EDCs reserve their rights to submit Final Comments on October 6, 2023 to respond to Initial Comments submitted by other entities and/or issues raised at the legislative-type hearing on September 18, 2023.

Consistent with the Order issued by the Board in connection with *In the Matter of the New Jersey Board of Public Utilities’ Response to the COVID-19 Pandemic for a Temporary Waiver of Requirements for Certain Non-Essential Obligations*, BPU Docket No. EO20030254, Order dated March 19, 2020, this document is being electronically filed with the Secretary of the Board and the New Jersey Division of Rate Counsel. No paper copies will follow.

Very truly yours,

A handwritten signature in black ink that reads "Aaron I. Karp". The signature is written in a cursive, slightly slanted style.

Aaron I. Karp
