Subject: [EXTERNAL] Docket No. GO23020099
Date: Friday, September 1, 2023 5:55:00 PM

To Whom It May Concern;

We have all seen the effects of climate change and must do everything in our power to mitigate our footprint on this earth. BPU must not give the green light to any fossil fuel projects unless necessary for maintaining current distribution systems. We must move forward to implement the State's clean energy goals.

Sincerely,

Madeleine Beresford
