Dear Ms. Katz,

The information that I received from the town is that the school oversees the operation of the channels.

Good Morning Robert:

It was good talking to you last week. I left you a message today with regard to Lebanon Borough. As discussed, please also confirm that both the shared educational and shared governmental access channels are currently administered by the Hunterdon Central High School. Thank you.

Good Afternoon Robert:

It was good talking to you today. As discussed, thank you for providing the attached revised application page, and for confirming below that adopted ordinance at SECTION 15. GOVERNMENTAL ACCESS, Subsection a. has a typo. The Office of Cable Television and Telecommunications will clarify in the order about the typo. Thank you.

Sincerely,

Hello,

Attached is the amended page for access channel issue in Lebanon. Also, the adopted MCO has a typo. It should read one shared educational and one shared government access channel. The way it reads now implies that there is one channel when in fact there are two.

Thank you
