RE: In the Matter of the Provision of Basic Generation Service for the Period Beginning June 1, 2024 – Electric Distribution Companies’ (“EDCs”) BGS Compliance Filings - Docket No. ER23030124

At its public agenda meeting held on November 17, 2023, the New Jersey Board of Public Utilities (“Board”) approved the Basic Generation Service (“BGS”) procurement proposal made by the State’s four electric distribution companies: Atlantic City Electric Company, Jersey Central Power & Light Company, Public Service Electric and Gas Company, and Rockland Electric Company (collectively, “EDCs”).

Consistent with the Board’s decision of November 17, 2023, the EDCs submitted compliance filings on December 4, 2023 consisting of revised Auction Rules, BGS- Residential and Small Commercial Pricing and BGS- Commercial and Industrial Pricing Supplier Master Agreements, and EDC-Company Specific Addenda.

As authorized by the Board, Board Staff reviewed the compliance filings and found them to be consistent with the Board’s decision of November 17, 2023. The EDCs are instructed to post the approved compliance filings on the BGS Auction website at: [www.bgs-auction.com](http://www.bgs-auction.com).

Sincerely,

*Sherri L. Golden*
