Subject: Support for Infrastructure Investment Program II (EnergizeNJ) - BPU Docket No. EO23110793

Dear Secretary Golden,

I am writing to express my strong support for JCP&L's proposed Infrastructure Investment Program – EnergizeNJ. As a small business owner and entrepreneur in Monmouth County, I believe strongly in investing in our energy infrastructure.

The importance of a robust electric distribution infrastructure cannot be overstated for a small business. Being able to count on improved infrastructure will certainly help not only my small business, but small businesses across the footprint.

I urge the board to move forward with the necessary approvals and funding to ensure the successful implementation of this critical initiative. I appreciate your time and consideration, and I look forward to witnessing the positive impact of this infrastructure upgrade for small businesses in Monmouth County.

Sincerely,

Shane Nolan
