Dear President Fiordaliso,

On this day, Invenergy Wind Offshore LLC ("Leading Light Wind") is submitting a confidential version (unredacted) and a public version (redacted) of its bid into the New Jersey's Third Offshore Wind Solicitation. All of the information redacted by Leading Light Wind in its public version contains (i) trade secrets of Leading Light Wind, (ii) specific project development information, (iii) technology proprietary to Leading Light Wind (iv) confidential transactions with suppliers or contractors of Leading Light Wind, (v) bid strategies of Leading Light Wind, and (vi) other information of a similar nature that provides Leading Light Wind with an advantage over its competitors to whom such information is not generally available.

Specifically, the redacted information consists of processes, designs, instruments, commercial methods, formulae, practices, or summaries of information sensitive to Leading Light Wind and not generally known or reasonably ascertainable by others.

Leading Light Wind requests that the information redacted from the public copy remain confidential until Leading Light Wind otherwise agrees.

Sincerely,

DocuSigned by:

Bryan Schueler
Vice President
