Telecommunications, Administrative Analyst 4:

Good Afternoon Robert:

Upon further review, the ordinance adopted for West Long Branch Borough on August 3, 2022, at SECTION 14. COMMITMENTS BY THE COMPANY, Subsections a. and b., speaks to negotiable provisions between the parties, including the Company continuing to provide Basic cable television service to one (1) outlet to the Borough Hall, Community Center, Department of Public Works building, Police Headquarters, Fire/EMS/Rescue Buildings, Schools, and libraries in the Borough. However, it is noted that the adopted ordinance does not state that the Company will be providing the services **free of charge** to the locations stated in the ordinance for the above Subsections. Please confirm that the Company will provide this service at no cost. Thank you.

Sincerely,
