**Re: Offshore Wind (“OSW”) Third Solicitation
BPU Docket No.; QO22080481**

Dear Secretary Golden:

On January 5, 2024, the New Jersey Division of Rate Counsel submitted a redacted version of Rate Counsel’s January 3, 2024 memo in the above referenced matter to the Board of Public Utilities (“Board”) Staff. That redacted memo is posted on the Board’s Public Document search website at [BOARD OF PUBLIC UTILITIES \(state.nj.us\), Docket QO22082481, Rate-Counsel –Second-OSW3 Memo BAFO Review Final Redacted](https://www.nj.gov/rpa/BOARD_OF_PUBLIC_UTILITIES/state.nj.us/Docket_QO22082481_Rate-Counsel_Second-OSW3_Memo_BAFO_Review_Final_Redacted).

It has come to Rate Counsel’s attention that the redacted memo provided to the Board is an older draft version dated December 29, 2023, and not the final memo provided to the Board. Due to this administrative error, the redacted version on the Board’s website is a draft and not the final version. Attached is a correct, final version of that memo. Kindly replace the draft version currently on the Board’s website with this final version to ensure that the public has access to the correct version.

Thank you for your attention to this matter. If you require any further information, please do not hesitate to contact me.

Very truly yours,

/s/ Brian O. Lipman
