TO: THE NEW JERSEY BOARD OF PUBLIC UTILITIES

BACKGROUND

1. On September 25, 2020, South Jersey Gas Company (“SJG” or “Company”) filed a petition with the New Jersey Board of Public Utilities (“Board” or “BPU”) requesting approval of new energy efficiency (“EE”) programs and associated cost recovery pursuant to the New Jersey Clean Energy Act of 2018 (“CEA”).¹ On October 19, 2020, the Company updated the petition in accordance with an Administrative Determination Letter.²

2. On April 7, 2021, the Board issued an Order approving a stipulation executed by SJG, the New Jersey Division of Rate Counsel (“Rate Counsel”), Board Staff (“Staff”), and the Energy Efficiency

Alliance of New Jersey (“EEA-NJ”) (collectively, “Parties”) for the period commencing July 1, 2021 and ending June 30, 2024.³ The Parties agreed and the BPU approved a program budget not to exceed \$133.266 million, with Operating and Maintenance (“O&M”) expenses – including Administration and Program Development, Marketing, Quality Control and Evaluation – in an amount not to exceed \$11.554 million (“Triennium 1”).

3. By Order dated May 24, 2023, the Board directed each electric and gas public utility to propose EE programs for the second triennium period (“Triennium 2”) on or before October 2, 2023 and addressed certain aspects of the EE Triennium 2 framework.⁴ By Order dated July 26, 2023, the Board approved the remaining aspects of the Triennium 2 framework necessary for the utilities to submit their Triennium 2 filings.⁵

4. By Order dated September 27, 2023, the Board established a December 1, 2023 deadline for EE program filings to be submitted by New Jersey’s electric and gas public utilities for Triennium 2 implemented pursuant to the CEA.⁶

5. By Order dated October 25, 2023, the Board found that it was reasonable, prudent, and in the public interest to provide additional time for Staff and Rate Counsel to conduct a thorough and diligent concurrent review of the Triennium 2 filings, as well as to provide parties and interested stakeholders with additional time to review, analyze, and discuss the filings.⁷ By the October 2023 Order, the Board ordered that Triennium 2 shall commence on January 1, 2025 and conclude on June 30, 2027, for a total term of 2.5 years. The Board further directed the electric and gas public utilities to submit filings in accordance with the new Triennium 2 term.

6. Also, by the October 2023 Order, the Board directed the utilities to file petitions to extend their respective Triennium 1 programs, without changes, by six (6) months for the Board's approval.⁸ The Board ordered that each utility's Triennium 1 extension budget should not exceed 50% of the utility's third program year ("Program Year 3" or "PY3") budget in order to align with the progress and ramping of the EE programs. Further, the Board ordered that, as part of the Triennium 1 extension, each utility shall meet energy savings targets equivalent to 50% of its PY3 energy savings targets in order to align with the progress and ramping of the EE programs. The Board further authorized the utilities to shift program budgets within the same sector or among sectors during the Triennium 1 extension according to the parameters applicable to Triennium 2⁹.

7. Pursuant to the October 2023 Order, on November 20, 2023, SJG filed a letter petition with the Board seeking approval to extend the Company's Triennium 1 program by six (6) months, to December 31, 2024, with a budget of \$34.827 million designed to meet customer demand for the

Renewable Energy Resources and Offering Class I Renewable Energy Programs in Their Respective Service Territories on a Regulated Basis, Pursuant to N.J.S.A. 48:3-98.1 and N.J.S.A. 48:3-87.9 – Minimum Filing Requirements, BPU Docket Nos. QO19010040, QO23030150, and QO17091004, Order dated September 27, 2023 ("September 2023 Order").

⁷ In re the Implementation of P.L. 2018, c. 17 the New Jersey Clean Energy Act of 2018, Regarding the Second Triennium of Energy Efficiency and Peak Demand Reduction Programs, BPU Docket No. QO23030150 ("October 2023 Order").

Triennium 1 program (“Extension Petition”).

8. In the Extension Petition, the Company agreed to abide by all the terms and conditions of the Stipulation of Settlement approved in the April 2021 Order, including, but not limited to, the cost recovery mechanism, calculation of carrying costs, committed funds not yet expended by the end of the term, and annual filing components.

9. SJG requested that the entire 18-month extended PY3 period be used for purposes of evaluation and reporting. In setting the goal for the Triennium 1 extension period (July 1, 2024 through December 31, 2024 or “Extension Period”) at 50% of the PY3 goal, the Company requested that its energy savings goal be 0.255%. SJG calculated this goal based on the original goals established for PY3 from the June 10, 2020 Order.¹⁰ For SJG, the goal for annual energy use reductions will be 1.298 million therms of natural gas. SJG’s original therm reduction goal for the 12-month PY3 was 2,596,212. The target for this additional six (6)-month period would be 1,298,106 therms. Accordingly, the final therm reduction goal for SJG would be 3,894,318 for the extended 18-month PY3 period.

10. A public hearing in this matter was held on March 7, 2024. No members of the public appeared.

11. Upon review of the Extension Petition and responses to discovery, the Parties to this proceeding stipulate and agree as follows:

STIPULATED ISSUES

12. The Parties agree that the Company’s previously Board-approved Triennium 1 program shall be extended six (6) months beyond the current termination date of June 30, 2024 and SJG is fully authorized to implement and administer the Triennium 1 program on a regulated basis for

¹⁰ In re the Implementation of P.L. 2018, c. 17 Regarding the Establishment of Energy Efficiency and Peak Demand Reduction Programs, BPU Docket Nos. QO19010040, QO19060748, and QO17091004, Order dated June 10, 2020.

an additional six (6)-month term through December 31, 2024 under the terms and conditions set forth in the Board's Order approving the Company's Triennium 1 program, except as otherwise set forth herein.

13. The Parties agree that the budget for the Extension Period shall not exceed \$34.827 million, which includes \$3.019 million of incremental O&M, and associated cost recovery. The Parties agree that SJG is authorized to utilize deferred accounting for all prudently incurred costs associated with the Triennium 1 program and recover all prudently incurred costs associated with the Triennium 1 program through Rider "N" to the SJG tariff.

14. The Parties agree that any projects committed and/or started prior to December 31, 2024 may continue for close-out and completion activities.

15. The Parties agree that the PY3 goal shall be 50% of the original goals established for PY3 from the June 2020 Order or 0.255% as outlined in the October 2023 Order. For SJG, the goal for annual energy use reductions will be 1.298 million therms of natural gas.

16. This Stipulation represents a mutual balancing of interests, contains interdependent provisions and, therefore, is intended to be accepted and approved in its entirety. In the event any aspect of this Stipulation is not accepted and approved in its entirety by the Board, any Party aggrieved thereby shall not be bound to proceed with this Stipulation and shall have the right to litigate all issues addressed herein to a conclusion. More particularly, if this Stipulation is not adopted in its entirety by the Board in any applicable Order, then any Party hereto is free to pursue its then available legal remedies with respect to all issues addressed in this Stipulation as though this Stipulation had not been signed.

17. The Parties agree that they consider the Stipulation to be binding on them for all purposes herein.

18. It is specifically understood and agreed that this Stipulation represents a negotiated agreement and has been made exclusively for the purpose of these proceedings. Except as expressly provided herein, SJG, Staff, and Rate Counsel shall not be deemed to have approved, agreed to, or consented to any principle or methodology underlying or supposed to underlie any agreement provided herein, in total or by specific item. The Parties further agree that this Stipulation is in no way binding upon them in any other proceeding, except to enforce the terms of this Stipulation.

19. The Parties further acknowledge that a Board Order approving this Stipulation will become effective upon the service of said Board Order, or upon such date after the service thereof as the Board may specify, in accordance with N.J.S.A. 48:2-40.

WHEREFORE, the Parties hereto respectfully request that the Board issue a Decision and Order approving this Stipulation in its entirety, in accordance with the terms hereof, as soon as reasonably possible.
