**RE:** In the Matter of the Provision of Basic Generation Service (“BGS”) for the Period  
Beginning June 1, 2024  
BPU Docket No. ER23030124

Dear Secretary Golden:

On March 18, 2024, Atlantic City Electric Company (the “Company”), submitted a compliance filing as required pursuant to the Board of Public Utilities’ (the “Board”) Order dated February 8, 2024 (the “February 8<sup>th</sup> Order”) in the above referenced docket.

In the intervening period since release of the February 8<sup>th</sup> Order, the Board has issued orders in connection with several other matters that bear tariff effective dates that pre-date the June 1 effective date established in the February 8<sup>th</sup> Order. In an effort to avoid the potential for confusion, the Company is resubmitting the tariff sheets that were attached to, and made a part of, the March 18<sup>th</sup> filing as Attachment 1. The Company is also incorporating several non-substantive language changes on Attachment 1 that were included in the Company’s December 4, 2023 compliance filing (issued as a result of the Board’s November 17, 2023 Decision and Order in this matter), but inadvertently omitted from the March 18, 2024 compliance filing referenced above.

Absent subsequent action or filing, the attached pro-forma tariff sheets will be effective June 1, 2024. No other changes to the Company’s March 18, 2024 filing or any attachment thereto (other than the changes to Attachment 1, as stated above) have been made.

Sherri L. Golden
