RE: In the Matter of the New Jersey Board of Public Utilities' Response to the
Covid-19 Pandemic
Docket No. AO20060471
Amended Template Filing for revisions to January – March 2024 Arrearages Tab

Dear Secretary Golden:

Attached for filing are amended reporting templates for Rockland Electric Company (“the Company”) for the months of January, February, and March 2024.

It has come to the Company’s attention that the January – March 2024 templates, which were filed on May 1, 2024, contained incorrect arrearages data for the months of January, February, and March 2024. This arrearages data has been revised in these amended reporting templates. Please note that only the “Arrearages” tab in the three templates is affected by these revisions, and within the “Arrearages” tab only the months of January, February, and March are revised.

Respectfully submitted,

Margaret Comes
