RE: Cablevision of Hudson County, LLC, System-Wide Franchise Renewal

Dear Secretary Camacho-Welch:

I write on behalf of Cablevision of Hudson County, LLC (“Franchisee”), a subsidiary of Altice USA, Inc., to notify you of Franchisee’s interest in renewing its System-Wide Franchise with the State of New Jersey (“State”), which is set to expire on May 11, 2024 (Docket No. CE17030183).

Federal law governs franchise renewal procedures. The Cable Communications Policy Act of 1984 and the Cable Television Consumer Protection Act of 1992 (collectively, the “Cable Act”) require that Franchisee provide notification to the State of its intent to seek renewal 30-36 months prior to the expiration of the current franchise. Franchisee, of course, wishes to continue to provide service to the residents of the System-Wide Franchise area, and by this letter and in accordance with federal law, set forth in Section 626 subsection (a) through (g), requests that the State commence renewal proceedings.

As permitted by the Cable Act, Franchisee and the State successfully undertook our previous renewal through the State’s System-Wide Franchise Application and Renewal process governed under N.J.S.A. 48:5A-1 et. seq., and Subchapter 14 of N.J.A.C.14:18. Franchisee seeks to use this process again for the upcoming franchise renewal. We reserve our right to proceed with the formal renewal process at any time upon written notice to the State.
