Re: In the Matter of the Petition of Comcast of Monmouth County, LLC for a Renewal Certificate of Approval to Continue to Construct, Operate, and Maintain a Cable Television System in and for the Borough of Oceanport, County of Monmouth, State of New Jersey | Docket No. CE24050316

Our File No. 41000.3000

Dear Secretary Golden:

We write to inform you on behalf of Comcast of Monmouth County, LLC (“Comcast”) that, pursuant to the interim e-filing procedures adopted by the Board of Public Utilities (the “Board”) on March 19, 2020, we have resubmitted via the Board’s e-filing portal (the “Portal”) the confidential version of the filing originally submitted in connection with the above-referenced matter on May 10, 2024 (the “May 10 Filing”). Specifically, the confidential version of the May 10 Filing inadvertently incorporated a preliminary draft version of the confidential Application for Renewal of Approval to Construct, Operate, and Maintain a Cable Television System in and for the Borough of Oceanport, County of Monmouth, State of New Jersey. The version of the confidential filing submitted via the Portal today rectifies that error. We note that the public version of the May 10 Filing, which has been sent via email to the Borough of Oceanport’s Municipal Clerk, was not affected by the error, and we apologize for any inconvenience.

Please do not hesitate to contact me should you have any questions.

Very truly yours,

Stan Barrett
