RATE SCHEDULE 1-A
GENERAL METERED SERVICE

APPLICABILITY

Applicable for general residential, commercial, industrial and municipal wastewater service in the City of Ocean City. The charge for wastewater service shall consist of the total of the Minimum Service Charge, the Sewer Usage Charge, the Purchased Wastewater Treatment Adjustment Clause (PSTAC) Charge, as defined under the Standard Terms and Conditions in this tariff and as shown on Rate Schedule 1-B, the Special Program Charge (SPC) as shown on Rate Schedule O-3, and the Wastewater System Improvement Charge (WSIC), as shown on Rate Schedule 9-A.1.

CHARACTER OF SERVICE

Continuous, except as limited by the "Standard Terms and Conditions."

MINIMUM SERVICE CHARGE

All wastewater service customers shall pay a Minimum Service Charge in addition to the Sewer Usage Charge, if any. The Minimum Service Charge for a customer is determined every January 1 for the year based on the water usage for the prior July, August and September meter readings ("Summer Quarter Consumption") but in no event will a customer be billed for less than 7,480 gallons per year for wastewater service.

	<u>Gallons</u> <u>Per Month</u>	<u>Rate</u> <u>Per 100 Gallons</u>	<u>Rate</u> <u>Per 1,000 Gallons</u>
Non-Exempt	All	\$1.35000	\$13.5000
Exempt	All	\$1.16603	\$11.6603

SEWER USAGE CHARGE

The volume of sewer use is assumed to equal water meter registration. Charges shall be based on water consumption as indicated by water meter readings on a monthly or quarterly basis at the option of the Company.

	<u>Gallons</u> <u>Per Month</u>	<u>Rate</u> <u>Per 100 Gallons</u>	<u>Rate</u> <u>Per 1,000 Gallons</u>
Non-Exempt	All	\$0.23250	\$2.3250
Exempt	All	\$0.20082	\$2.0082

TERMS OF PAYMENT

The following plan for payment of the Annual Minimum Service Charge is offered as a convenience to our customers and, in the case of seasonal service, does not relieve the customer of the liability to pay the entire Annual Minimum Service Charge if wastewater service is rendered for only a portion of the calendar year. In the case of a non-seasonal customer terminating their account, the customer shall be billed for service provided through the date of service termination.

A new customer, initiating service at existing premises, shall be billed for such service as of the account activation date. The new customer account usage will be based on the existing premises last known summer quarter consumption, until the new customer establishes a summer quarter consumption. A new customer account without established summer quarter consumption data will be required to pay a pro-rata share of the Annual Minimum Service Charge, until the new customer establishes a summer quarter consumption. The proration shall be based on the portion of the calendar year for which the customer receives service.

In addition, in the case of a reactivated account, the customer will be required to pay for the charges as if the account had been active as of January 1. The calculated Annual Minimum Service Charge will therefore be billed across the remaining installment billing periods in that calendar year.

For monthly billed customers, one-twelfth of the Minimum Service Charge shall be due and payable upon receipt of the regular bill for wastewater service.

If the Company determines by application of the following criteria that the customer's past record of payments does not warrant application of this payment plan, the Company may require payment of the entire service charge at one time rather than in installments.

1. If a customer has been terminated at least once in the past two years for non-payment of a bill for wastewater service; or,
2. If a customer receives three (3) Final Reminder Notices during a twelve-month period.

Usage charges based upon meter readings shall be billed in monthly in arrears (or quarterly at the option of the Company). Valid bills for service furnished under this schedule are due fifteen (15) days from the date of the postmark on the envelope in which the bill was transmitted. All bills shall list a due date.
