Dear Secretary Golden:

Enclosed for filing by Public Service Electric and Gas Company (“PSEG” or “the Company”), please find a revised electronic copy of the Company’s Tariff for Electric Service, B.P.U.N.J. No. 16 Electric First Revised Sheet No. 80, which has been revised to correct a typographical error in the docket number in the footnote. This filing was originally provided to the New Jersey Board of Public Utilities (“Board”) on May 24, 2024, in compliance with the action taken by the Board at its May 22, 2024 agenda meeting in the above-captioned matter. The enclosed corrects that typographical error and makes no other changes to the sheets that were originally filed.

The BGS tariff sheets submitted pursuant to this filing will be available on the Company’s website within several days of this compliance tariff filing.

Furthermore, as directed by the Board’s Order in Docket No. EO20030254, dated March 19, 2020, the Company hereby submits this filing via electronic delivery only to the Board Secretary and will suspend submitting such filings as paper documents until the Board directs otherwise.

Thank you for your attention and consideration in this matter. If you have any questions regarding this compliance filing, please contact the undersigned.

Very truly yours,
