Dear Board Secretary Sherri L. Golden,

Do not industrious ocean The sea life is a community of whales, dolphins and other precious life. You will and have been killing them ever since you started surveying the ocean. More marine death will occur when substations dump heated , chlorinated ocean water back into the ocean. Furthermore why should you kill our marine life to make a few cities healthier. How about stopping China from building more coal powered plants .
BUILD MORE CLEAN NUCLEAR PLANTS HERE!

DO THE RIGHT THING ! DONT KILLLOUR OCEAN SO A FEW TIGHT PEOPLE MAKE MORE MONEY!

Sincerely,
Penny Campbell
