Dear Board Secretary Sherri L. Golden,

As a New Jersey resident, I'm writing to you on Docket Number QO24020126 to urge you to STOP the updated Energy Master Plan. The people of the beach towns of New Jersey don't want or need what you are selling and pushing on us. Please stop it. It will only have a negative effect on our towns and it is harmful to our wild life. STOP the madness Governor Murphy

Joanne Vandegrift.

Sincerely,
Joanne Vandegrift
