Subject: [EXTERNAL] DISASTER FOR OUR OCEANS AND SAFETY

Dear Board Secretary Sherri L. Golden,

As a New Jersey resident, I'm writing to you on Docket Number QO24020126 to urge you to abandon this project. It is horrible for our marine life , horrible for our safety as these turbines effect radar for ships in bad weather and detecting foreign intruders in our oceans, horrible for tourism and bad for our local commercial fisherman. These do not belong in our oceans and we should not sacrifice our endangered marine life for greed!!!

THE MAJORITY OF RESIDENTS DONT WANT THIS. only the politicians

Sincerely,
Teri Kirckof
