Dear Board Secretary Sherri L. Golden,

As a New Jersey resident, I'm writing to you to urge you to STOP THESE OFFSHORE WIND TURBINES and high voltage cables running through our ocean and shore communities. This will not help our environment...it's only destroying our ocean, our sea life, our fishing industry and our communities! This is not "green". There has to be other ways and this devastation cannot be the answer!! Put an end to this now....we did not have the opportunity to vote on this costly venture! Our local government can't even protect their towns because of home rule being taken away. PLEASE STOP THE OFFSHORE WIND TURBINES!!

Sincerely,
Annette Mikaloukas
