Dear Board Secretary Sherri L. Golden,

As a New Jersey resident, I'm writing to you on Docket Number QO24020126 to urge you to ensure that the communist environmental activists are stopped from destroying our coastline and killing marine life. There is no settled science that shows our grid can be supplied by green energy that doesn't harm marine life. I urge you to reject this form of domestic terrorism.

Sincerely,  
Dave Simms
