

**NOTICE TO PUBLIC SERVICE ELECTRIC AND GAS COMPANY CUSTOMERS**

**IN THE MATTER OF THE PETITION OF PUBLIC SERVICE ELECTRIC AND GAS COMPANY FOR APPROVAL OF CHANGES IN ITS ELECTRIC GREEN PROGRAMS RECOVERY CHARGE AND ITS GAS GREEN PROGRAMS RECOVERY CHARGE**

**BPU Docket Nos. ER24070484 & GR24070490**

**PLEASE TAKE NOTICE** that, on June 28, 2024, Public Service Electric and Gas Company (“Public Service” or “Company”) filed a petition with the New Jersey Board of Public Utilities (“Board” or “BPU”), requesting to reset the Company’s electric and gas Green Programs Recovery Charge (“GPRC”) rates (“Petition”). The Green Programs consist of the Company’s eleven energy efficiency and renewable energy programs, as well as three BPU-established renewable energy programs. The proposed changes are the result of adjustments in the following applicable components of the Company’s separate electric and gas programs: Carbon Abatement Program, Energy Efficiency Economic Stimulus Program, Energy Efficiency Economic Extension Program, Energy Efficiency Economic Extension Program II, Energy Efficiency 2017 Program, and Clean Energy Future - Energy Efficiency Program for both electric and gas, and for electric only, the Solar Generation Investment Program (Solar 4 All), Solar Loan II Program, Solar Generation Investment Extension Program, Solar Loan III Program, Solar Generation Investment Extension II Program, Transition Renewable Energy Certificate Program, Successor Solar Incentive Program, and Community Solar Program.

The proposed electric and gas GPRC rates, if approved by the Board, are shown in Table #1 below. The proposed rates are designed to recover the combined components of the GPRC for the October 1, 2024 through September 30, 2025 period, amounting to a total of approximately \$312.6 million for electric programs and \$64.3 million for gas programs. As part of the Petition, the Company must demonstrate that the expenses associated with certain programs were incurred reasonably and prudently. The approximate effects of the proposed changes on typical electric and gas residential average monthly bills, if approved by the Board, are provided in Tables #2 and #3 below, respectively. The approximate effects detailed in Tables #2 and #3 are estimates, the exact amount that a customer’s bill will increase will depend on a residential customer’s actual usage.

Under the Company’s proposal, a typical residential electric customer using 740 kilowatt-hours (“kWh”) in a summer month and 577 kWh in an average month, or 6,920 kWh annually, would see an increase in their average monthly bill from \$129.67 to \$130.72, or \$1.05, approximately 0.81%. A residential gas heating customer using 172 therms per month during the winter months and 87 average monthly therms, or 1,040 therms on an annual basis, would see an increase in their average monthly bill from \$91.46 to \$92.27, or \$0.81, approximately 0.89%.

Any rate adjustments with resulting changes in bill impacts found by the Board to be just and reasonable as the result of the Petition may be modified and/or allocated by the Board in accordance with the provisions set forth in N.J.S.A. 48:2-21 and for other good and legally sufficient reasons to any class or classes of customers of the Company. Therefore, the described charges may increase or decrease based upon the Board’s decision.

A copy of this Notice of Filing and Public Hearings is being served upon the clerk, executive, or administrator of each municipality and county within the Company’s service territory. The Petition is available for review online at the Company’s website at <http://www.pseg.com/pseandgfilings> and has filed with the New Jersey Division of Rate Counsel (“Rate Counsel”), who will represent the interests of all Public Service customers in this proceeding. The Petition is also available to review online on the Board’s

website, <https://publicaccess.bpu.state.nj.us>, where you can search by the above-captioned docket numbers. The Petition and Board file may also be reviewed at the Board located at 44 South Clinton Avenue, 1st Floor, Trenton, NJ, with an appointment. To make an appointment, please call 609-913-6298.
