RE: In the Matter of the New Jersey Board of Public Utilities' Response to the Covid-19
Pandemic
Docket No. AO20060471

Dear Secretary Golden:

Attached for filing on behalf of Rockland Electric Company ("RECO" or "the
Company") are amended templates.

Three templates for April – June 2024 have been amended to correct arrearage data.¹

Six templates for October 2023 through March 2024 have been amended to add
Disconnect/Reconnect data that was not previously available. The Company explained in prior
template filings that, because of a change in its billing system, it was unable to retrieve
Disconnect/Reconnect data for the months of October 2023 through March 2024 but continued
attempts to retrieve that data. The Company has successfully retrieved that data, and the
Amended Templates for October 2023 through March 2024 with the Disconnect/Reconnect data
are now being filed.

Respectfully submitted,

Margaret Comes

¹ These revised templates with corrected arrearage data were previously provided to Staff.
