Re: In the Matter of the Petition of Comcast of Monmouth County, LLC, for a Renewal Certificate of Approval to Continue to Construct, Operate, and Maintain a Cable Television System in and for the Township of Hazlet, County of Monmouth, State of New Jersey

Dear Secretary Golden:

We write to inform you on behalf of Comcast of Monmouth County, LLC (“Comcast”) that, pursuant to the interim e-filing procedures adopted by the Board of Public Utilities (the “Board”) on March 19, 2020, we have submitted a confidential and a public filing via the Board’s e-filing portal (the “Portal”) in connection with the above-referenced matter.

Specifically, the confidential filing submitted via the Portal includes a copy of this letter; a confidential and unredacted version of Comcast’s Application for Renewal of a Certificate of Approval (the “Application”); and the affidavit (the “Affidavit”) of Robert D. Clifton, Comcast’s Senior Director of Government and Regulatory Affairs, in support of our request for confidential treatment of certain information in the Application. The public filing submitted via the Portal comprises a copy of this letter; the Affidavit; the Verified Petition and Verification of Comcast; and a version of the Application with the confidential information having been redacted therefrom (collectively, the “Public Filing”).

We have also sent a copy of the Public Filing via email to Mary Lynch, Municipal Clerk for the Township of Hazlet.

In accordance with N.J.A.C. 14:1-12 et seq., Comcast respectfully submits that certain designated information in the Application is proprietary commercial information. Accordingly, the Application does not constitute a government record under the New Jersey Open Public Records Act, P.L. 2001, c. 404 (N.J.S.A. 47:1A-1 et seq.) and is exempt from public disclosure. The Affidavit filed simultaneously with the Application substantiates Comcast's request for confidential treatment.

Thank you for your kind consideration. Please do not hesitate to contact me should you have any questions.

Very truly yours,

Stan Barrett
