PETITION

CenturyLink Communications, LLC (“**CenturyLink**”), on the one hand, and Level 3 Communications, LLC (“**Level 3 LLC**”), Broadwing Communications, LLC (“**Broadwing**”), Global Crossing Telecommunications, Inc. (“**GC Telecommunications**”), Global Crossing Local Services, Inc. (“**GC Local**”), Level 3 Telecom of New Jersey, LP (“**Level 3 Telecom of New Jersey**”), TelCove Operations, LLC (“**TelCove**”), and WilTel Communications, LLC (“**WilTel**”), on the other hand (collectively the “**Level 3 Petitioners**” and, together with CenturyLink, the “**Petitioners**”), by their undersigned counsel and pursuant to *N.J.S.A. 48:3-7* and *48:3-9* and any other statutes and regulations deemed applicable, hereby request approval from the New Jersey Board of Public Utilities (the “**Board**”) to participate in financing arrangements (collectively, the “**Financing Arrangements**”) described below.

I. DESCRIPTION OF THE FINANCING ARRANGEMENTS

A. Broad Description of the Debt Financing.

Petitioners are subsidiaries of Lumen Technologies, Inc. (NYSE: LUMN) (“**Lumen**” or the “**Company**”). On October 31, 2024, Petitioners completed debt financing arrangements pursuant to authority granted by the Board in BPU Docket No. TF24040241 (the “**2024 TSA Financing**”) resulting from a restructuring process with creditors holding over \$15 billion of outstanding indebtedness of Lumen and subsidiaries, including certain amounts guaranteed and collateralized by the Petitioners.¹

In this Petition, Petitioners hereby request Board approval upon receipt of the required regulatory approvals (i) to act as a guarantor and (ii) to have their respective assets and equity pledged in support of the debt-for-debt exchanges of debt with near term maturity dates which were not refinanced in the 2024 TSA Financing.

These additional Financing Arrangements consist of debt-for-debt exchanges and subsequent all cash debt repurchases which collectively have enabled Lumen and its subsidiaries to reduce their outstanding indebtedness and extend the maturity date for near term debt set to mature between 2026 and 2029 to a more favorable maturity date of 2032. The additional Financing Arrangements enable Lumen to: (i) strengthen Lumen’s balance sheet and overall liquidity position; (ii) further reduce near-term refinancing risk associated with the notes tendered in the exchanges; and (iii) have more time to execute Lumen’s business transformation.

¹ See, *In the Matter of the Petition of CenturyLink Communications, LLC, Level 3 Communications, LLC, Broadwing Communications, LLC, Global Crossing Telecommunications, Inc., Global Crossing Local Services, Inc., Level 3 Telecom of New Jersey, LP, TelCove Operations, LLC, and WilTel Communications, LLC for Approval to Participate in a Financing Arrangement*, BPU Docket No. TF24040241, Order dated September 25, 2024 (“**2024 TSA Financing Order**”).

As noted in the 2024 TSA Financing application, Lumen’s debt financings have historically been structured across different silos which track Lumen’s acquisition history. One silo is comprised of debt issued by Lumen (hereafter referred to as the “**Lumen Debt**”), portions of which are guaranteed and collateralized by various legacy entities of Lumen, including CenturyLink. A second silo reflects the business of Level 3 Parent, LLC (“**Level 3 Parent**”) and is issued by Level 3 Parent’s direct subsidiary Level 3 Financing, Inc. (“**Level 3 Financing**”) (hereafter the “**Level 3 Debt**”), portions of which are guaranteed and collateralized by various direct and indirect subsidiaries of Level 3 Financing, including the Level 3 Petitioners.²

As part of the new Financing Arrangements (i) Lumen has agreed to exchange newly-issued superpriority senior secured notes for certain of its outstanding unsecured senior notes (the “**Lumen Note Exchange**”) and (ii) Level 3 Financing has agreed to exchange newly-issued second lien secured notes for certain of its outstanding unsecured senior notes (the “**Level 3 Note Exchange**” and together with the Lumen Note Exchange, the “**Note Exchanges**”). The Note Exchanges (described in more detail in Paragraphs I.B and I.C below) are on similar terms (taken as a whole) to the bond debt recently approved by the Board in the *2024 TSA Financing Order*. For additional information about the Financing Arrangements, See, Report on [Form 8-K filed September 24, 2024 \(Exhibit A\)](#), Report on [Form 8-K filed October 4, 2024 \(Exhibit B\)](#), Report on [Form 8-K filed November 12, 2024 \(Exhibit C\)](#), and Report on [Form 8-K filed November 19, 2024 \(Exhibit D\)](#).³

² The Company acquired Qwest Corporation in 2011 and Level 3 Parent in 2017, and the Company rebranded as Lumen in 2020. The Petitioners historically filed separate financing applications with the Board for each debt silo. However, since the new Financing Arrangements are tied to the combined approval granted by the 2024 Financing Order, this Petition also combines the request for approval for the Lumen Debt and Level 3 Debt in a single application.

³ **Exhibit A** contains the body of the Form 8-K filed September 24, 2024, filed for the Financing Arrangements but does not include the numerous exhibits referenced in the Form 8-K which can be accessed via the link above.

B. Description of the Lumen Debt Financing.

CenturyLink seeks Board approval upon receipt of the required regulatory approvals (i) to act as a guarantor and (ii) to have its assets and equity pledged in support of a financing arrangement involving the issuance of \$438,769,670 aggregate principal amount of the 10.000% Secured Notes due 2032 (the “**New 2032 Lumen Notes**”) by Lumen (CenturyLink’s ultimate parent company). The New 2032 Lumen Notes were issued pursuant to an indenture to facilitate overall debt reduction in a debt-for-debt exchange for validly tendered (and not validly withdrawn) outstanding Lumen unsecured senior notes with an aggregate principal value of \$491,368,000 (the “**Old Lumen Notes**”) and payment of approximately \$13.7 million in cash consideration.⁴ The Old Lumen Notes, cancelled in exchange for the New 2032 Lumen Notes and cash consideration, consisted of: (i) \$137,166,000 aggregate principal amount of the 5.125% Senior Notes due 2026 (the “**2026 Lumen Notes**”); (ii) \$187,976,000 aggregate principal amount of the 4.000% Senior Secured Notes due 2027 (the “**2027 Lumen Notes**”); (iii) \$80,606,000 aggregate principal amount of the 6.875% Debentures, Series G, due 2028 (the “**2028 Lumen Notes**”); and (iv) \$85,620,000 aggregate principal amount of the 4.500% Senior Notes due 2029 (the “**2029 Lumen Notes**”). By exchanging the Old Lumen Notes with an aggregate principal amount of \$491,368,000 for the New 2032 Lumen Notes with an aggregate principal amount of \$438,769,670 and approximately \$13.7 million in cash consideration, Lumen was able to reduce the overall Lumen Debt by \$52,598,330. The note exchanges also enabled Lumen to extend the

maturity dates for the Old Lumen Notes tendered in the exchange which were set to mature between 2026 and 2029 to a more favorable maturity date of 2032.

C. Description of the Level 3 Debt Financing.

The Level 3 Petitioners request Board approval upon receipt of the required regulatory approvals (i) to act as guarantors and (ii) to have their assets and equity pledged in support of financing arrangements by their parent company, Level 3 Financing, involving the issuance of \$349,999,160 aggregate principal amount of newly issued 10.000% second lien notes due 2032 (the “**New 2032 Level 3 Notes**” and, together with the New 2032 Lumen Notes, the “**New 2032 Notes**”). The New 2032 Level 3 Notes were issued pursuant to an indenture to facilitate overall debt reduction in a debt-for-debt exchange for validly tendered (and not validly withdrawn) outstanding unsecured senior indebtedness of Level 3 Financing. The debt repurchased through the exchange of the New 2032 Level 3 Notes represented an aggregate principal amount of \$357,142,000 and consisted of: (i) the 3.400% senior secured notes due 2027 (unsecured) (the “**3.400% Level 3 Notes**”); (ii) the 4.625% senior notes due 2027 (the “**4.625% Level 3 Notes**”); and (iii) the 4.250% senior notes due 2028 (the “**4.250% Level 3 Notes**” and together with the 3.400% Level 3 Notes and the 4.625% Level 3 Notes, the “**Old Level 3 Notes**”). The New 2032 Level 3 Notes mature in 2032 and replaced the Old Level 3 Notes tendered in the exchange which were set to mature between 2027 and 2028. By exchanging \$357,142,000 aggregate principal amount of the Old Level 3 Notes for \$349,999,160 aggregate principal amount of the New 2032 Level 3 Notes, Level 3 Financing reduced the principal outstanding on the Level 3 Debt by \$7,142,840.

D. Additional Details on Debt Financing, including Amendment of Level 3 Intercompany Note and Reinstatement of Guarantees in Certain Pre-Existing Level 3 Debt.

The New 2032 Notes were each issued in private offerings under the Securities Act and were offered and sold only to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A of the Securities Act and to non-U.S. persons outside of the United States in accordance with Regulation S under the Securities Act. CenturyLink is not seeking approval to act as guarantors or asset pledgors or to have their equity pledged as collateral to support the New 2032 Level 3 Notes and the Level 3 Petitioners are not seeking approval to act as guarantors or asset pledgors or to have their equity pledged as collateral to support the New 2032 Lumen Notes.

As part of the Level 3 Debt Financing, Level 3 LLC also amended and restated its previously issued intercompany loan proceeds demand note approved by the Board in the *2024 TSA Financing Order* (the “**A&R Loan Proceeds Note**”) to reflect the change in the amount of secured and collateralized debt of Level 3 LLC resulting from the issuance of the New 2032 Level 3 Notes in exchange of the Old Level 3 Notes. Petitioners assert the A&R Loan Proceeds Note is on similar terms to the intercompany demand note utilized for the 2024 TSA Financing, including the multiple sources of debt covered by the note (US \$8,834,945,161.32), the parties to the note (Level 3 LLC and Level 3 Financing), the assets pledged by Level 3 LLC as security in support of the A&R Loan Proceeds Note (the tangible assets of Level 3 LLC), and the note continuing to be payable on demand.

In addition, in order to facilitate the Level 3 Financing Arrangements, Level 3 Parent, Level 3 Financing and Level 3 LLC entered into further amendments to the indentures governing: (i) the 3.400% Level 3 Notes; (ii) the 4.625% Level 3 Notes; (iii) the 4.250% Level 3 Notes; (iv) Level 3 Financing’s existing 3.625% senior notes due 2029 (the “**Existing 3.625% SUNs**”); (v)

Level 3 Financing’s existing 3.750% sustainability-linked senior notes due 2029 (the “**Existing 3.750% SUNs**”); and (vi) Level 3 Financing’s 3.875% Senior Secured Notes due 2029 (the “**Existing 3.875% SSNs**” and together with the 3.400% Level 3 Notes, the 4.625% Level 3 Notes, the 4.250% Level 3 Notes, the Existing 3.625% SUNs, and the Existing 3.750% SUNs, the “**Existing Level 3 Debt**”) to reinstate the guarantees of the Level 3 Petitioners which had been released as part of the 2024 TSA Financing upon receipt of any required regulatory approvals.

Last, Petitioners advise the Board that in order to help streamline financial reporting for all of the Level 3 Petitioners, GC Local, and Level 3 Telecom of New Jersey intend to act as guarantors of the 2024 TSA Financing as well as the New 2032 Level 3 Notes.⁵

IV. PUBLIC INTEREST CONSIDERATIONS

Approval of the Financing Arrangements described herein will serve the public interest.

The Financing Arrangements allow the Company to reduce its overall debt and extend the portfolio maturity date (taken as a whole) for a portion of the Lumen Debt and Level 3 Debt, thereby reducing Lumen's overall debt by \$59,741,170 and its future refinancing risks associated with the earlier maturity dates described herein. These steps are complementary to the 2024 TSA Financing

¹⁸ See, *In re the Petition of Williams Communications, Inc. d/b/a Vyvx, Inc to Provide Interexchange Telecommunications Services*, BPU Docket No. TE98080699, Order dated January 14, 1999.

and reflect Lumen and its subsidiaries ongoing efforts to manage their maturity profile and continue to strengthen their overall credit. The exchanges also have a positive impact on free cash flow due to the deleveraging aspect of the debt exchange. The Financing Arrangements also provide the Company with greater financial flexibility to maintain and expand the Petitioners' networks and services. The improved financial arrangement enables Petitioners to continue delivering services to new markets, thus allowing more consumers to benefit from their competitive services.

Lumen expects that the capital markets will look favorably upon these steps as part of its ongoing efforts to manage the maturity profile of its debt and to continue to strengthen its overall credit profile. These steps will yield both financial benefits and operational flexibility that will ultimately inure to the benefit of the Petitioners' New Jersey customers. It will also provide Lumen, along with Level 3 Financing and the Petitioners, with additional time to continue stabilizing its business performance and to execute its business transformation, which includes a focus on improving the customer experience. The additional financial flexibility afforded by the Financing Arrangements will also help Lumen and its subsidiaries to maintain and expand the Petitioners' networks and competitive services. Additionally, by further eliminating the risks associated with debt with a near term debt maturity wall for debt which was exchanged for longer term debt or repurchased outright, existing and future customers will have a more favorable view of the Petitioners' financial health.

Furthermore, the Financing Arrangements have been and will continue to be conducted in a manner that is transparent to customers and will not result in a change of carrier for customers or any assignment of authorizations or the discontinuance, reduction, loss, or impairment of service to customers. Following completion of the Financing Arrangements, Petitioners asserted they will

continue to provide high-quality communications services to their customers without interruption and without immediate change in rates, terms, or conditions.

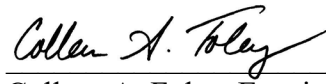

The Petitioners' participation in the Financing Arrangements will not result in a change in the Petitioners' management or in the Petitioners' day-to-day operations in New Jersey, nor will the Financing Arrangements adversely affect the Petitioners' current or proposed operations in New Jersey. Moreover, the Financing Arrangements will have no impact on Petitioners' ability to fulfill pension obligations to their employees, as required under *N.J.S.A. 48:3-7*.

As such, they expect the Financing Arrangements will provide greater access to capital, which will yield both financial benefits and operational flexibility that will ultimately inure to the benefit of the Petitioners' New Jersey customers. Additionally, the Financing Arrangements strengthen the Petitioners' ability to remain financially strong competitors in the State of New Jersey. Accordingly, and to the extent required, the Petitioners request Board approval to participate in the Financing Arrangements discussed herein.

V. **CONCLUSION**

For the reasons set forth above, the Petitioners submit that the public interest, convenience, and necessity will be furthered by expeditious Board approval of their participation in the Financing Arrangements described herein.

Respectfully submitted,

Item 1.01 Entry into a Material Definitive Agreement.

Indentures Relating to the Issuance of the New Notes

In connection with the Early Settlement Transactions, (1) Lumen, as issuer, certain guarantors party thereto, Regions Bank, as trustee, and Bank of America, N.A., as collateral agent, entered into an indenture, dated September 24, 2024 (the “Lumen Indenture”), which governs the terms of the New Lumen Notes issued on such date, and (2) Level 3, as issuer, Level 3 Parent, LLC (“Level 3 Parent”), as a guarantor, certain other guarantors party thereto, U.S. Bank Trust Company, National Association, as trustee, and Wilmington Trust, National Association, as collateral agent, entered into an indenture, dated September 24, 2024 (the “Level 3 Indenture” and, together with the Lumen Indenture, the “Indentures” and each, an “Indenture”), which governs the terms of the New Level 3 Notes issued on such date. Capitalized terms used but not defined herein have the meaning ascribed to them in the applicable Indenture.

The New Notes will mature on October 15, 2032. Interest on the New Notes will accrue from the Issue Date and is payable on April 15 and October 15 of each year, beginning on April 15, 2025.

The New Notes are subject to redemption at the option of the Issuer, in whole or in part, at any time or from time to time after the Issue Date at a price equal to 100.0% of the principal amount of the New Notes so redeemed, plus any accrued and unpaid interest thereon to, but not including, the redemption date.

On each interest payment date after the fifth anniversary of the Issue Date, each Issuer is required to redeem for cash at a price equal to 100.0% of the principal amount of the New Notes redeemed on such interest payment date (plus any accrued and unpaid interest) such portion of the New Notes on a pro rata basis necessary to prevent such New Notes from being treated as an “applicable high yield discount obligation” within the meaning of Section 163(i) of the Internal Revenue Code of 1986, as amended, subject to certain exceptions set forth in the applicable Indenture.

Upon the occurrence of certain specified change of control events, the Issuer will, subject to certain limited exceptions, be required to make an offer to repurchase the New Notes at a price in cash equal to 101% of the principal amount of the New Notes so redeemed, plus any accrued and unpaid interest thereon.

The Indentures provide for certain customary events of default, including, among others, the (i) failure to pay principal or premium (if any) or interest (subject to a grace period) on the New Notes when due; (ii) failure of the Issuer and certain other entities to perform specified covenants or agreements continued for 90 days after written notice with respect thereto to the Issuer by the Trustee or the holders of at least 30% of the aggregate principal amount of such New Notes then outstanding; or (iii) occurrence of certain specified defaults, payment of final judgments, bankruptcy proceedings, insolvencies or other events. In addition, subject to the terms and conditions set forth in the Indentures, if certain specified events of default with respect to the New Notes occur and are continuing, either the Trustee or holders of at least 30% of the aggregate principal amount of the New Notes then outstanding may declare the principal of the New Notes to be due and payable immediately.

The Indentures contain certain restrictive covenants, including covenants limiting the incurrence of additional indebtedness, liens and certain corporate transactions. These covenants are subject to a number of important limitations and exceptions.

The consummation of each Offer is conditioned upon the satisfaction or waiver of certain conditions described in the Offer to Purchase. None of the Offers are contingent upon any minimum amount of Notes being tendered or the consummation of any other Offer.

Assuming that the conditions to the Offers have been satisfied or waived, and assuming acceptance for purchase by the applicable Offeror of Notes validly tendered (and not validly withdrawn) pursuant to the Offers, payment for Notes validly tendered at or prior to the Expiration Time will be made on the settlement date (the "Settlement Date"), which is expected to occur on November 19, 2024. Any Notes tendered using the Notice of Guaranteed Delivery and accepted for purchase are expected to be purchased by the applicable Offeror on November 21, 2024.

Holders must make their own independent decision as to whether to tender their Notes and, if so, the principal amount of Notes to tender.

The Offerors have not made, and will not make, either (i) any determination as to the value of the Notes or (ii) any determination that the consideration to be received in connection with the Offers represents a fair valuation of the Notes. The Offerors have not obtained or requested, and will not obtain or request, a fairness opinion from any banking or other firm as to the fairness of the consideration offered in any of the Offers or the relative values of the Notes. Therefore, if holders tender their Notes, such holders may not receive more, or as much, value as if such holder chose to retain their Notes. Any decision to participate in any Offer must be based on a holder's own independent evaluation of the financial merits of the Offers and the information included and incorporated by reference in the Offer to Purchase, including the Notice of Guaranteed Delivery.

The Offers are being made solely pursuant to the terms and conditions contained in the Offer to Purchase and Notice of Guaranteed Delivery. This press release is neither an offer to purchase nor a solicitation of an offer to sell any Notes. The Offers are not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction. In any jurisdiction in which the Offers are required to be made by a licensed broker or dealer, the Offers will be deemed to be made on behalf of the applicable Offeror by the applicable dealer manager, or one or more registered brokers or dealers that are licensed under the laws of such jurisdiction.

Item 8.01 Other Events.

On November 19, 2024, Lumen Technologies, Inc. (the “Company” or “Lumen”) issued a press release (the “Press Release”) announcing (1) the expiration and results of certain of the previously-announced cash tender offers (each, an “Expired Offer” and collectively, the “Expired Offers”) of it and its indirect, wholly-owned subsidiary Level 3 Financing, Inc. (“Level 3” and, together with Lumen, the “Offerors”) and (2) amendments to increase the tender offer consideration for each Offeror’s outstanding unsecured notes maturing in 2028 and extend the Expiration Time for the Amended Offers (as defined below) (collectively, with the Expired Offers, the “Offers”).

The Offer to Purchase, including the related Notice of Guaranteed Delivery attached as Appendix A thereto, dated November 12, 2024, as amended by the Press Release (collectively, as amended, the “Offer to Purchase”), sets forth the complete terms and conditions of the Offers. Except for the amendments described in the Press Release, the terms and conditions of the Offers remain the same as set forth in the Offer to Purchase.

The matters set forth below are discussed in further detail in the Press Release, which is attached hereto as Exhibit 99.2.

Expected Settlement of Expired Offers

The Expired Offers expired at 5:00 p.m., New York City time, on November 18, 2024 (such date and time, the “Original Expiration Time”). Subject to the satisfaction or waiver of the conditions to the Offers, prior to the close of business on November 19, 2024 (such date, the “Expired Offer Settlement Date”), the Offerors expect to accept for purchase, and expect to pay for, all of (1) Lumen’s outstanding 5.625% Senior Notes, Series X, due 2025, 7.200% Senior Notes, Series D, due 2025, 5.125% Senior Notes due 2026 and 4.000% Senior Secured Notes due 2027 (Unsecured) and (2) Level 3’s outstanding 3.400% Senior Secured Notes due 2027 (Unsecured) and 4.625% Senior Notes due 2027 (collectively, the “Expired Offer Notes”) validly tendered (and not validly withdrawn) at or prior to the Original Expiration Time. Any Expired Offer Notes validly and timely tendered using the guaranteed delivery procedures and accepted for purchase are expected, subject to the satisfaction or waiver of the conditions to the Offers, to be purchased on November 21, 2024, but payment of accrued interest on such Expired Offer Notes will only be made up to, but not including, the Expired Offer Settlement Date on the terms and conditions specified in the Offer to Purchase.

Amended Offers

Lumen and Level 3 have amended the remaining Offers (the “Amended Offers”) to purchase any and all of (1) Lumen’s outstanding 6.875% Debentures, Series G, due 2028 and (2) Level 3’s outstanding 4.250% Senior Notes due 2028 (collectively, the “2028 Notes” and, together with the Expired Offer Notes, the “Notes”) to increase the tender offer consideration for each series of the 2028 Notes and extend the Expiration Time for the Amended Offers.

In connection with this increase in the tender consideration for each series of the 2028 Notes, the expiration time of the Amended Offers has been extended to 5:00 p.m., New York City time, on November 25, 2024, unless further extended or earlier terminated by Lumen or Level 3, as applicable (such time and date, as it may be further extended or earlier terminated, the “2028 Notes Expiration Time”). Any 2028 Notes that have been, or will be, validly tendered prior to the 2028 Notes Expiration Time may be validly withdrawn at any time prior to the earlier of (i) the 2028 Notes Expiration Time and (ii) the 10th business day after the commencement of the applicable Offer, as well as any other circumstances described in the Offer to Purchase. The Guaranteed Delivery Deadline (as defined in the Offer to Purchase) for the Amended Offers has also been extended to 5:00 p.m., New York City time, on November 27, 2024.

No Offer or Solicitation

Neither this Current Report on Form 8-K nor the Press Release attached hereto as Exhibit 99.2 constitutes either (i) an offer to purchase, or a solicitation of an offer to sell, the Notes, or (ii) a solicitation to participate in the Offers. The Offers are not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with applicable laws.

These forward-looking statements are not guarantees of future results and are based on current expectations only, and are subject to various uncertainties. Actual events and results may differ materially from those anticipated by us in those statements for several reasons, including those discussed in Exhibit 99.2 hereto and our other filings with the SEC. Excludes accrued and unpaid interest on such Expired Offer Notes, which will be paid on the terms and conditions set forth in the Offer to Purchase with respect to such Expired Offer Notes accepted for purchase by the applicable Offeror as described below.

Subject to the satisfaction or waiver of the conditions to the Offers, prior to the close of business on November 19, 2024 (such date, the "Expired Offer Settlement Date"), the Offerors expect to accept for purchase, and expect to pay for, all Expired Offer Notes validly tendered (and not validly withdrawn) at or prior to the Original Expiration Time (as summarized in column (f) of the table above). Any Expired Offer Notes validly and timely tendered using the Notice of Guaranteed Delivery and accepted for purchase are expected, subject to the satisfaction or waiver of the conditions to the Offers, to be purchased on November 21, 2024, but payment of accrued interest on such Notes will only be made up to, but not including, the Expired Offer Settlement Date.

Amendment of Remaining Cash Tender Offers

Lumen and Level 3 have amended the remaining offers (the "Amended Offers") to purchase any and all of their respective outstanding unsecured notes identified in the table below (collectively, the "2028 Notes" and, together with the Expired Offer Notes, the "Notes") to increase the tender offer consideration for each series of the 2028 Notes and extend the Expiration Time for the Amended Offers. The table below sets forth the amended pricing terms of such Amended Offers:

<u>(a) Issuer and Offeror</u>	<u>(b) Title of 2028 Notes</u>	<u>(c) CUSIP Numbers⁽¹⁾</u>	<u>(d) Aggregate Principal Amount Outstanding</u>	<u>(e) New Tender Consideration⁽²⁾</u>
Lumen Technologies, Inc.	6.875% Debentures, Series G, due 2028	156686 AM9	\$ 161,817,000	\$ 947.50
Level 3 Financing, Inc.	4.250% Senior Notes due 2028	527298 BR3 / U52783 AW4	\$ 488,098,000	\$ 890.00

- (1) No representation is made as to the correctness or accuracy of the CUSIP numbers listed in column (c) of the table above. They are provided solely for convenience.
- (2) Per \$1,000 principal amount of such 2028 Notes validly tendered (and not validly withdrawn) and accepted for purchase by the applicable Offeror. Excludes the 2028 Notes Accrued Interest (as defined below), which will be paid on such 2028 Notes accepted for purchase by the applicable Offeror as described below.

In connection with this increase in the tender consideration for each series of the 2028 Notes, the expiration time of the Amended Offers has been extended to 5:00 p.m., New York City time, on November 25, 2024, unless further extended or earlier terminated by the applicable Offeror (such time and date, as it may be further extended or earlier terminated, the "2028 Notes Expiration Time").

Any 2028 Notes that have been, or will be, validly tendered prior to the 2028 Notes Expiration Time may be validly withdrawn at any time prior to the earlier of (i) the 2028 Notes Expiration Time and (ii) the 10th business day after the commencement of the applicable Offer, as well as any other circumstances described in the Offer to Purchase.

The Guaranteed Delivery Deadline (as defined in the Offer to Purchase) for each of the Amended Offers has also been extended to 5:00 p.m., New York City time, on November 27, 2024.

The Amended Offers are being made pursuant to the terms and conditions as set forth in the Offer to Purchase.

Subject to the terms and conditions of the Amended Offers, all 2028 Notes (including previously tendered 2028 Notes) that have been, or will be, validly tendered (and not validly withdrawn) at or prior to the 2028 Notes Expiration Time and that are accepted for purchase by the applicable Offeror pursuant to the Amended Offers will be eligible to receive the applicable increased tender consideration set forth in the table above, plus accrued and unpaid interest on such 2028 Notes on the terms and conditions set forth in the Offer to Purchase (the “2028 Notes Accrued Interest”) from the applicable last interest payment date with respect to those 2028 Notes up to, but not including, the Extended Settlement Date (as defined below), which is expected to occur on November 26, 2024 (as so extended, the “Extended Settlement Date”), assuming the conditions to the Amended Offers have been either satisfied or waived by the applicable Offeror. The Guaranteed Delivery Settlement Date for the Amended Offers is expected to be November 29, 2024.

The Offerors have not made, and will not make, either (i) any determination as to the value of any series of 2028 Notes or (ii) any determination that the consideration to be received in connection with the Amended Offers represents a fair valuation of either series of 2028 Notes. The Offerors have not obtained or requested, and will not obtain or request, a fairness opinion from any banking or other firm as to the fairness of the consideration offered in either of the Amended Offers or the relative values of the 2028 Notes. Therefore, if holders tender their 2028 Notes, such holders may not receive more, or as much, value as if such holder chose to retain their 2028 Notes. Any decision to participate in the Amended Offers must be based on a holder’s own independent evaluation of the financial merits of the Amended Offers and the information included and incorporated by reference in the Offer to Purchase.
